

Meeting Date: January 14, 2019

Agenda Item: 5.1

Created By: M Tieman

Mia's Playground and Tennyson Park Improvement Project - Reject All Bids

Executive Summary:

The Board of Directors will consider rejecting all bids for the Mia's Dream Come True project, which also includes improvements for Tennyson Park.

Financial Impact:

None.

Staff Recommendation:

Reject all bids, pursuant to California Public Contracting Code Section 20166, for the Mia's Dream Come True project (CIP No. 2-097A) and direct Staff to rebid the project.

Description of Item:

The Mia's Dream Come True Playground project (CIP No. 2-097A) is a one-acre, all-access playground that will replace the existing conventional play area at Tennyson Park. In addition to the playground the project included general park improvements such as a new group picnic area, off-street parking, new park pathways, and a new park restroom. The project is funded by Measure F1 Bond proceeds and donations obtained by the efforts of the HARD Foundation.

The construction plans and specifications were advertised for bid in October 2018. The District received four bids on December 5, 2018 for the Mia's Dream Come True project. The bid prices ranged between \$5,832,000 and \$6,375,000. All bid prices exceeded the engineer's estimate of \$4,602,369. Staff is recommending rejecting all bids and re-bidding the project with base bid and additive alternates to potentially reduce the construction costs. If approved, Staff would re-bid the project in January with a bid opening in February.
